HELLO! IT'S GREAT TO E-MEET YOU!

Thank you for taking the time to download my press kit to get a better idea of how Peter Mennie's **MIND GAMES Show** can help take your special event to the next level!

We've all been to events where the Host, Keynote Speaker, or worse yet, the Entertainment, has dragged on or dare I say - bombed. You need a performer who can really connect with and impress your friends and colleagues. At the end of the day, not only should the performer receive a standing ovation, but you should too, for being the one to find and booking them! I want you to be 100% confident in your decision.

Having made a career for over four decades performing around the world, I can confidently say that my clients benefit from having me at their event in the following ways:

#1 IT'S FUN - There are many different kinds of entertainment that you could invest in: *DJ/Music* (which can be difficult finding something everyone likes); *a Comedian* (problematic at best because they tend to sway from clean); or a *Hypnotist* (sometimes embarrassing and how many people really want to be their own entertainment?). When it comes right down to it, people really just want to have fun. My **MIND GAMES Show** is the perfect blend of magic, mind reading, comedy, non-embarrassing interaction and music so that everyone has a blast, laughs a lot, is amazed and leaves with a smile on their face.

#2 IT'S UNIQUE - The **MIND GAMES Show** has several routines and bits that are not performed by any other magician in the country. I get emails all the time from clients who tell me that their friends are still talking about my performance weeks later! Why not host that kind of a lasting memory?

#3 100% CLEAN COMEDY MAGIC - In today's marketplace, you have to work 'corporate clean'. I **focus on** 'Safe-For-Work' comedy and magic, which means I can entertain everyone in the audience because there has **never been** nor will there **ever be** any off-colour or questionable material in **any** of my shows.

#4 IT BRINGS PEOPLE TOGETHER - Your event will collect people from various parts of the company that may not normally interact but it's the shared interaction, laughter and amazement of this show that will bond them as a group and create a lasting memory

WHY AM I DIFFERENT?

Most magicians are either a full talking act or a silent one to music. My show is a *combination* of **BOTH** styles that seamlessly switches from the really funny to the really amazing. It's also a Magic Show inspired by classic TV shows like Bachelor, Big Brother, Millionaire, (& the ads) that highlights jaw-dropping sleight-of-hand magic and incredible mind-reading.

AND, six of your friends will compete to win....

'THOUSANDS OF DOLLARS IN CASH & PRIZES or less' in a Simon Says meets Survivor meets Deal Or No Deal inspired routine where I predict the winner - well before the tribe has spoken!

“The meeting was different, very different! In less than thirty seconds, you had them, and it just got better from there. One of the managers present wrote a note to the president of the company telling him it was one of the **best supplier sales meeting** he had ever attended and that it was your performance that made the difference!”

“Dear Peter, Once again it was a pleasure working with you. You made me feel comfortable and confident that everything was running smooth, both at the annual Fair and the Volunteer banquet. It is no easy task entertaining such a wide range of people, but you always do it with such ease and professionalism. It's **a pleasure watching you perform**. You kept them entertained, captivated & inquisitive all at the same time.”

“I just wanted to let you know that our staff thoroughly enjoyed your show. They felt it was **our best Christmas Party** and after 20 years in business and 20 Christmas Parties I think that says it all. Thanks again for a great evening and making our party such a success.”

“It was an absolute pleasure working with you during our Omingmak Frolics in Cambridge Bay. Our festival was thoroughly enriched by your performances and workshops. The community absolutely loved you and three weeks later I am still receiving comments about your shows. It is your **professionalism** that stands out for me. From being **flexible, friendly, funny**, and most importantly understanding due to the remoteness of our community, you were willing to go **above and beyond** to do whatever it took to make sure we were happy and had **a great time!** Some of the comments I received are: **"Wow!" "Impressive" "Where did you find this guy? He was the perfect choice!"** Without a doubt, you helped make the Omingmak Frolics memorable. I'd strongly encourage any event coordinators to **book you now** before it is too late and I know that they'll be as impressed as I was. I can't wait until next time!”

“Thank you for performing at our recent event. You were excellent and really know how to work the crowd. It must be difficult when the crowd is not sitting down but you really were able to mingle and perform at the same time. Kudos to you! I heard laughter and oohs and awes of amazement so it was **definitely a success** to have you at the event to add to the atmosphere!”

“The Mt. Brydges Lions Club had Peter Mennie come to one of our dinner meetings and he gave a **truly awesome show**. He was **funny** & his magic act was **truly spectacular**. The show was so good that our club hired Peter to do the entertainment at our most profitable fund raiser because we knew that 450 men and women would be entertained like we were on that memorable night. To anyone interested in a show that will make you laugh and wonder how he does those magic tricks, either buy tickets to his show or better yet, hire him yourself for a private event or a fundraiser!”

“Hello Peter. Thanks again for providing a fantastic evening of laughs, illusions and interaction for our Motive Power Professional Development Conference. Your routine was just what the masses needed to wind down after a busy day of workshops & networking. Your ability to read our diverse audience and interact with us as you rolled out your jokes, shuffled your cards and cut up your ropes was superb. Well done! The feedback I received from co-workers and guests alike was nothing but positive.”
