SO, WHAT IS 'MIND GAMES'?

1 IT'S UNIQUE The MIND GAMES Show is the only show of it's kind in the country. Each segment brings back the fun of classic television games show - but with a magical, mindreading twist they won't see coming! Why not make that kind of a lasting memory?

2 IT'S MEMORABLE The MIND GAMES Show successfully combines the amazement of magic, the laughter of clean comedy, the production values of a variety show, the fun of a sitcom *and* predicts how it all will end even before the show starts!

3 IT HAS PRIZES! OF COURSE IT DOES! IT'S A MAGIC/ GAME SHOW! Six lucky volunteers will have a chance to win 'over a thousand dollars in valuable prizes'.....or less (!) in a Survivor meets Squid Game meets Simon Says - like routine where I predict who will be the last random volunteer left standing on the stage.

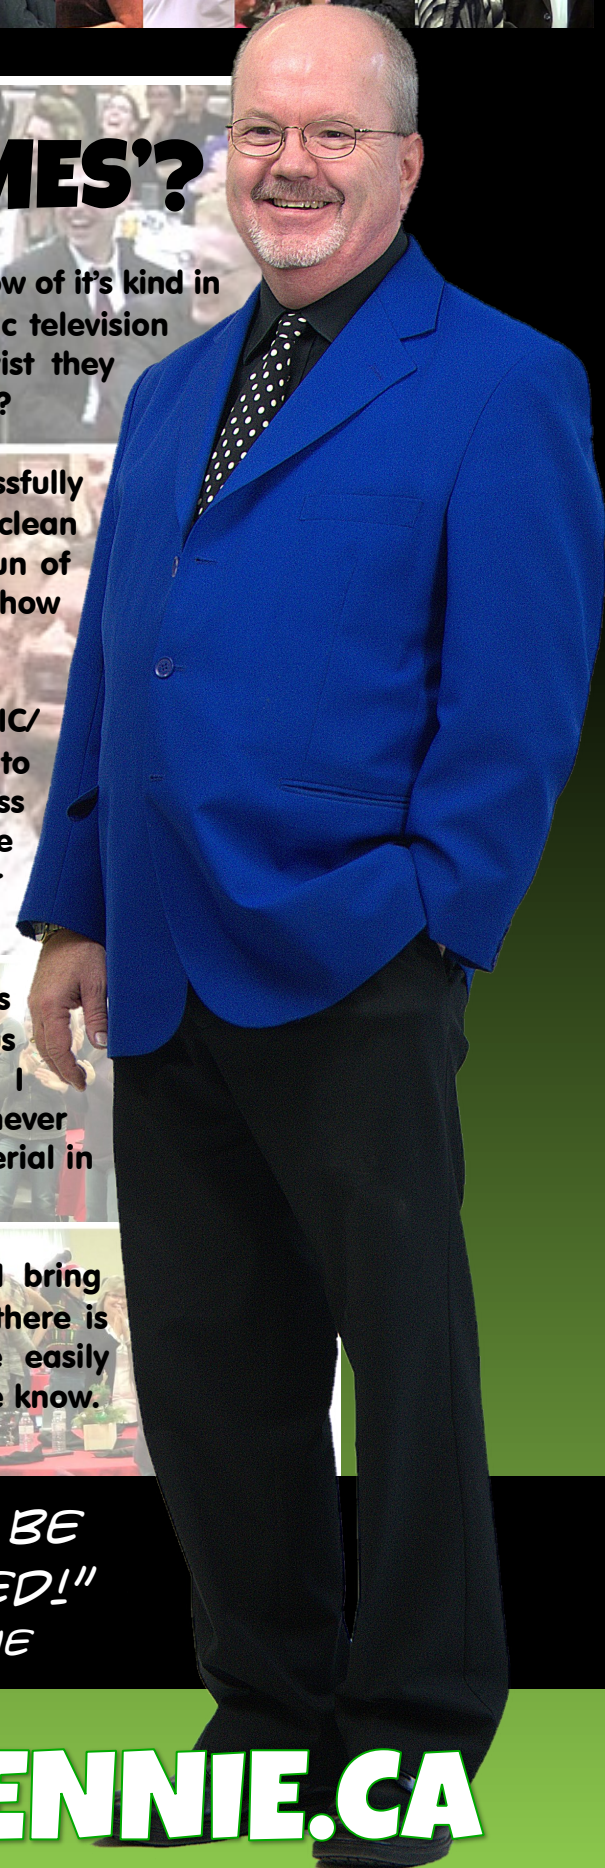

4 IT'S 100% CLEAN COMEDY MAGIC In today's marketplace, you have to work 'corporate clean'. I focus on 'Safe-For-Work' comedy and magic, which means I can entertain *everyone* in the audience because there has never been nor will there ever be any off-colour or questionable material in any of my shows. Your grandmother will have fun!

5 IT'S SELF-CONTAINED AND SCALABLE I bring everything I need for audiences of 50 to 500. Plus, if there is production already on-site, the performance can be easily patched and broadcast for an enhanced experience. Just let me know.

"YOUR SHOW WAS

PERFECT!"

WHY AM I DIFFERENT?

FIRST: EXPERIENCE

I've been at this for a long time
- over 45 years -
likely longer than anyone else
you've looked at.

SECOND: EXCELLENCE

Most magicians are either a
full-talking act or a completely
silent one to music.
All of my shows are
contemporary combinations
of BOTH styles that switch from
the really funny to the really
amazing, seamlessly.

THIRD: EXPERTISE

I have degrees in both Theatre
Production and Television
Broadcasting so all of my shows
play like a Broadway show
mixed with a Television Variety
show fully integrating the music
and the magic
TOGETHER.

“★★★★★”
 “AMAZING,
 A HUGE HIT”

“The meeting was different, very different! In less than thirty seconds, you had them, and it just got better from there. One of the managers present wrote a note to the president of the company telling him it was one of the **best supplier sales meeting** he had ever attended and that it was your performance that made the difference!”

“Dear Peter, Once again it was a pleasure working with you. You made me feel comfortable and confident that everything was running smooth, both at the annual Fair and the Volunteer banquet. It is no easy task entertaining such a wide range of people, but you always do it with such ease and professionalism. It's **a pleasure watching you perform**. You kept them entertained, captivated & inquisitive all at the same time.”

WESTERN FAIR
district

“It was an absolute pleasure working with you during our Omingmak Frolics in Cambridge Bay. Our festival was thoroughly enriched by your performances and workshops. The community absolutely loved you and three weeks later I am still receiving comments about your shows. It is your **professionalism** that stands out for me. From being **flexible, friendly, funny**, and most importantly understanding due to the remoteness of our community, you were willing to go **above and beyond** to do whatever it took to make sure we were happy and had **a great time!** Some of the comments I received are: **"Wow!" "Impressive" "Where did you find this guy? He was the perfect choice!"** Without a doubt, you helped make the Omingmak Frolics memorable. I'd strongly encourage any event coordinators to **book you now** before it is too late and I know that they'll be as impressed as I was. I can't wait until next time!”

“The Mt. Brydges Lions Club had Peter Mennie come to one of our dinner meetings and he gave a **truly awesome show**. He was **funny & his magic act was truly spectacular**. The show was so good that our club hired Peter to do the entertainment at our most profitable fund raiser because we knew that 450 men and women would be entertained like we were on that memorable night. To anyone interested in a show that will make you laugh and wonder how he does those magic tricks, either buy tickets to his show or better yet, hire him yourself for a private event or a fundraiser!”

“Hello Peter. Thanks again for providing a fantastic evening of laughs, illusions and interaction for our Motive Power Professional Development Conference. Your routine was just what the masses needed to wind down after a busy day of workshops & networking. Your ability to read our diverse audience and interact with us as you rolled out your jokes, shuffled your cards and cut up your ropes was superb. Well done! The feedback I received from co-workers and guests alike was nothing but positive.”

CONESTOGA

“Thank you for performing at our recent event. You were excellent and really know how to work the crowd. It must be difficult when the crowd is not sitting down but you really were able to mingle and perform at the same time. Kudos to you! I heard laughter and oohs and awes of amazement so it was **definitely a success** to have you at the event to add to the atmosphere!”
