## HELLO! IT'S GREAT TO E-MEET YOU!

Thank you for taking the time to get to know me and the MAGIC PARTY Magic Show! I know how important it is to you to make sure you get a performer who can really *engage* and *entertain* your senior friends. I've been doing this a long time and I can confidently say that my Retirement Residence and LTC clients LOVE from having my show entertain at their homes!

**#1 IT'S FUN** When it comes right down to it, seniors just want to have fun and my show is a perfect blend of magic, comedy, interaction and music so that everyone has a blast, laughs a lot, is amazed and leaves with a smile on their face.

**#2 IT'S UNIQUE** I am one of only a handful of magicians who has a show that is specifically written for seniors. THE MAGIC PARTY SHOW is amazing to watch, easy to hear, and best of all - fully and actively engaging! Let's give them that kind of a lasting memory!

**#3 100% CLEAN COMEDY MAGIC** I specialize in 'SFS' (Safe For Seniors) magic, and comedy which means I can entertain men and women of all ages, including co-workers, friends and their families because there has never been nor will there *ever be* any off-colour or questionable material in any of my shows.

**BONUS! EQUIPMENT IS SUPPLIED**  
To make everything runs smoothly, I bring everything I need for a successful, stress-free performance. All I need from you is the audience (and that's the easy part)!

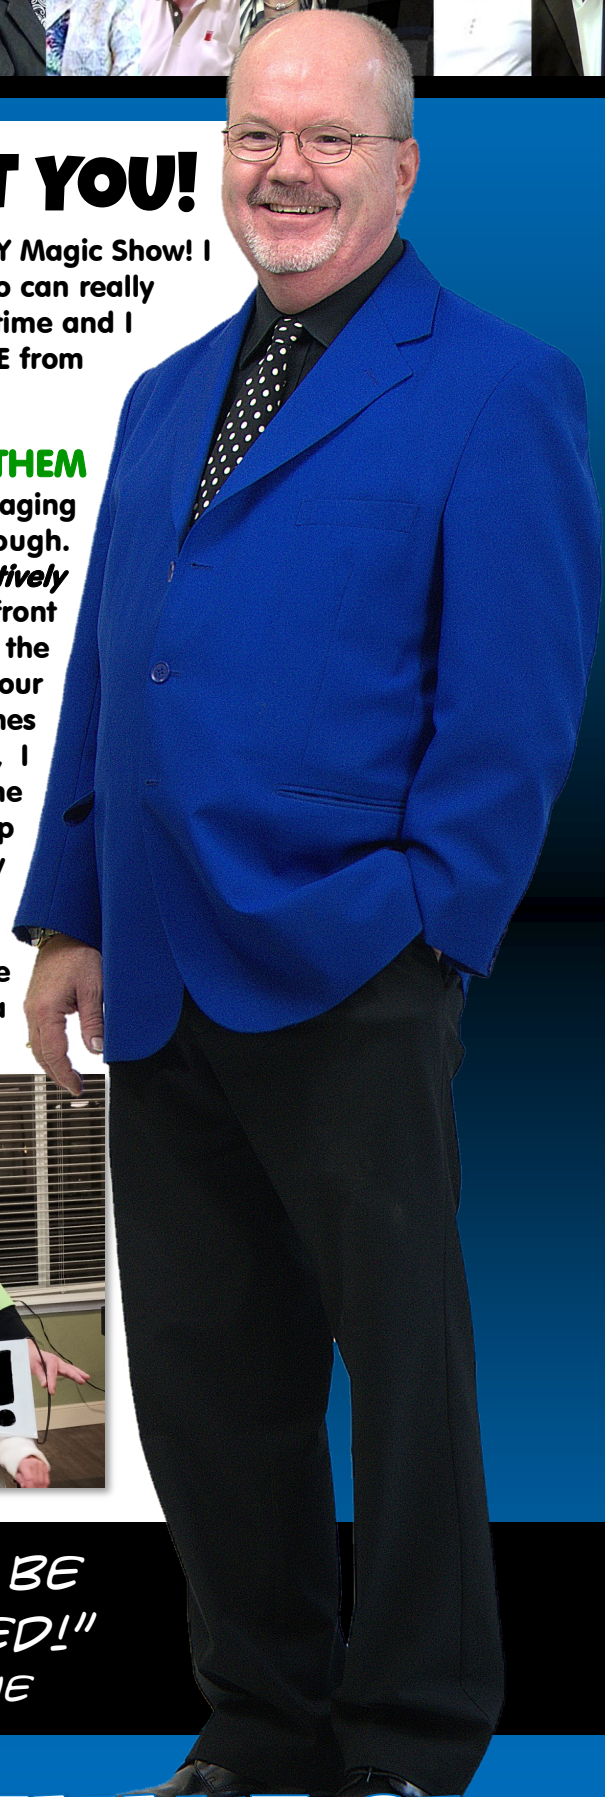

### #4 IT INVOLVES THEM

Magic, by nature, is engaging but that's not enough. Seniors need to be *actively involved* - whether up front with me or from the audience. In this one-hour show, I do three routines by myself. For the rest, I call on people in the audience to come up front (or stay where they are) and help me create a wonderful, memorable experience for their friends in a non-embarrassing way.

*"We were not disappointed. Everyone had a great time. After the party many residents contacted me to thank us for such an entertaining day. They loved your quick wit and great sense of humour, along with the magic tricks you had 'up your sleeve'. There were also lots of conversations around how you did what you did. In the end it didn't matter because you were a big hit and we were so fortunate to find you for our event. You are a wonderful magician and a fantastic entertainer. Thanks again. it was a great time and a fun-filled day."*

*"You truly are a magician, not only did you make cards and objects disappear, and reappear, you also made time disappear! (if only you could make it reappear!) Your show was **engaging at every moment** and causes lots of laughter and smiles had by all."*

*"Peter entertained our residents the other evening with his many, many tricks! Peter was very engaging with the residents here at Seasons. Many of them joined in with the illusions and are still wondering how he did it!! I even watched a couple trying the tricks the next afternoon during lunch. Peter was very pleasant, patient and made sure his show was **'senior friendly'**. I'm very happy with his performance and would highly recommend his act everyone!"*
